Corporate Social Responsibility Policy

(This policy is approved by the Board of Directors at their meeting held on 17th February, 2017)

PHILOSOPHY

Zeal Aqua Limited (“ZAL” or “the Company”) has been an early adopter of Corporate Social Responsibility (‘CSR’) initiatives. Along with sustained economic performance, environmental and social stewardship is also a key factor for holistic Business growth. Zeal Aqua believes in developing business with eco- friendly and sustainable manner which includes development of all society & community. The company’s focus has always been to contribute to the sustainable development of the society and environment and to make our planet a better place for future generations.

Our CSR Vision

To develop and sustain the most advanced eco-friendly & sustainable Aquaculture system in Gujarat as well as in other parts of India.

We want to create more jobs and opportunities to the Aqua farmers and rural population with the state of the art technology.

Our CSR Mission

The mission is to create sustainable economic opportunities in aquaculture industries with consistency. Aquaculture is one of the best rural development activity and it makes a major contribution to the local, regional and national economy. It provides a large employment to the local people and creates good business opportunities both domestic and international level.

Our Activities

The CSR activities we pursue will be in line with our stated Vision and Mission, focused not just around our plants and offices, but also in other geographies based on the needs of the communities.

In accordance with the primary CSR philosophy and the specified activities under the Act read with Companies (Corporate Social Responsibility Policy) Rules, 2014 (the “CSR Rules”), and any amendment(s) thereof, the CSR activities of Zeal Aqua will have the following thrust areas:

1. Eradicating hunger, poverty and malnutrition:

- Provision of food, nutrition supplement, clothes etc for the poor, children and other deprived sections of the society.
- Promoting sanitation, making available safe drinking water.

2. Promoting Health care including Preventive Health care

- through awareness programmes, health check-ups, provision of medicine & treatment facilities , providing pre natal & post natal healthcare facilities, prevention of female foeticide through awareness creation, program for preventing diseases and building immunity.

3. Ensuring environmental sustainability and ecological balance through :

- Plantation drives in schools, villages, our manufacturing units & offices/business premises and other areas in general;
- Reviving endangered plants, promoting agro-forestry;
- Protection of flora & fauna;
- conservation of natural resources
- Maintaining quality of soil, air & water.
- Adoption of wastelands to cultivate plants;
- Promoting biodiversity;
- Technical support and Knowhow for improving farming and building capacities of small farmers.
- Promoting alternate energy resources.

4. Promoting education

Promoting education, including special education and employment enhancing vocational skills, specially among children, women, elderly, and the differently abled and livelihood enhancement projects.

5. Other Activity

- Reducing inequalities faced by the socially and economically backward groups
- Welfare of armed forces personnel
- Employing people and incurring other costs to carry out aforesaid activities, expenditure shall not exceed five percent of total CSR expenditure.

6. Such other activities as the Board may consider being appropriate.

Implementation/Monitoring of CSR Activities

Zeal will undertake its CSR activities approved by the CSR Committee. The CSR activities will be driven by a dedicated project team under the guidance and support of the CSR Committee and the Board. The CSR Committee will play a significant role in ensuring that the CSR policy is embedded across zeal's operations and the CSR initiatives are in line with this policy.

The CSR Committee will be responsible for monitoring approved projects and fund disbursements for such projects. The CSR Committee will put in place a transparent monitoring and reporting mechanism for ensuring effective implementation of the projects, programs and activities proposed to be undertaken by Zeal. Such monitoring mechanisms will include visits, meetings and progress/status reporting by the project teams.

Any or all provisions of this CSR policy may be amended by the Board based on the recommendations of the CSR Committee or in accordance with any statutory guidelines that may be issued from time to time.

Composition of CSR Committee

The CSR Committee shall consist of the following Directors:

- Mr. Shantilal I. Patel
- Mr. Pradeepkumar R. Navik
- Mr. Naginbhai Patel

Responsibilities of the committee

The Responsibilities of the CSR Committee include:

- Formulating and recommending to the Board of Directors the CSR Policy and indicating activities to be undertaken,
- Recommending the amount of expenditure for the CSR activities, and
- Monitoring CSR activities from time to time

CSR Funds

The corpus for the purpose of carrying on the aforesaid activities would include the followings:

- 2% of the average Net Profit made by the Company during immediately preceding three Financial Years.
- Any income arising there from.
- Surplus arising out of CSR activities carried out by the company and such surplus will not be part of business profit of the company.

Governance

The CSR department will provide regular progress report to the CSR Committee of the Board. This report would indicate:

1. Achievement since last progress report / during the last quarter in terms of coverage compared to the target and reasons for variance.
2. Achievement of the year-to-date in terms of coverage compared to the target, plans to overcome shortfalls if any and support required from the CSR Committee/Board to overcome the shortfalls.
